**KIMBERLY BUCHANAN** is an international bestselling author, speaker and life coach. She is highly sought after for her expertise in helping women learn how to use their career skills to reach new goals, while still managing work + family + enjoying life.

Kimberly gained her professional experience as a consultant working with some of the largest, global companies in the world including Daimler Chrysler, Discover Card, Accenture and Pfizer.

When she's not working in corporate or coaching clients, Kimberly is speaking, teaching one of her signature courses, writing books and lending her award-winning expertise as a contributor on branding, productivity and work-life balance to *Forbes* and *Thrive Global*.

As a professional, wife and mother to two busy teenage boys; Kimberly brings a unique perspective to women's conferences, business meetings, professional conferences and chambers of commerce across the world. Learn more at [kimberlybuchanan.com](http://kimberlybuchanan.com).

## Speaking Topics

### Building Brand U

Kimberly answers six essential branding questions and guides participants through a self-study worksheet to understand their superpowers and leverage them to create their professional brands.

### Activate Your Gifts

Kimberly outlines five ways you can use your current skillset to create multiple income streams. Learn how you can finally unleash the burning desire to show the world what you have to offer, without walking away from your job.

### ELEVATE: The Vision & Goals Planning Workshop

A live workshop for high achievers and entrepreneurs. Get a behind-the-scenes look at how experts develop successful goals that work. Walk away with a one-year plan designed to help you reach your goals for the year + live the life you desire to live.
